

**Thank you for shopping at the NICKER ONLINE SHOP.**

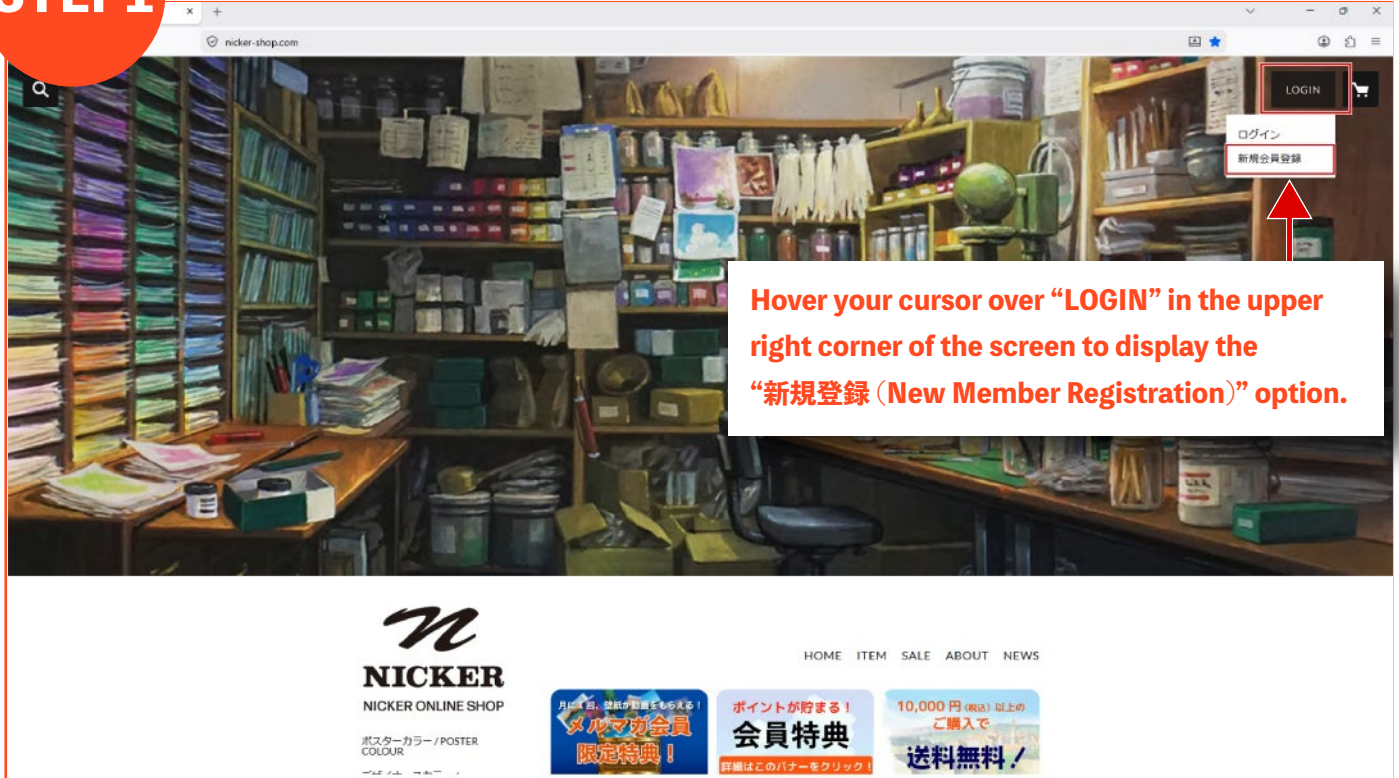

**Here is a guide on how to register as a member of the NICKER ONLINE SHOP.**

**Please note that if you are a resident outside of Japan, you will only be able to earn reward points for digital content, such as video content.**

**This is because World Shopping Biz, the platform you use to purchase physical merchandise, operates on a separate system from the NICKER ONLINE SHOP.**

**We appreciate your understanding and cooperation.**

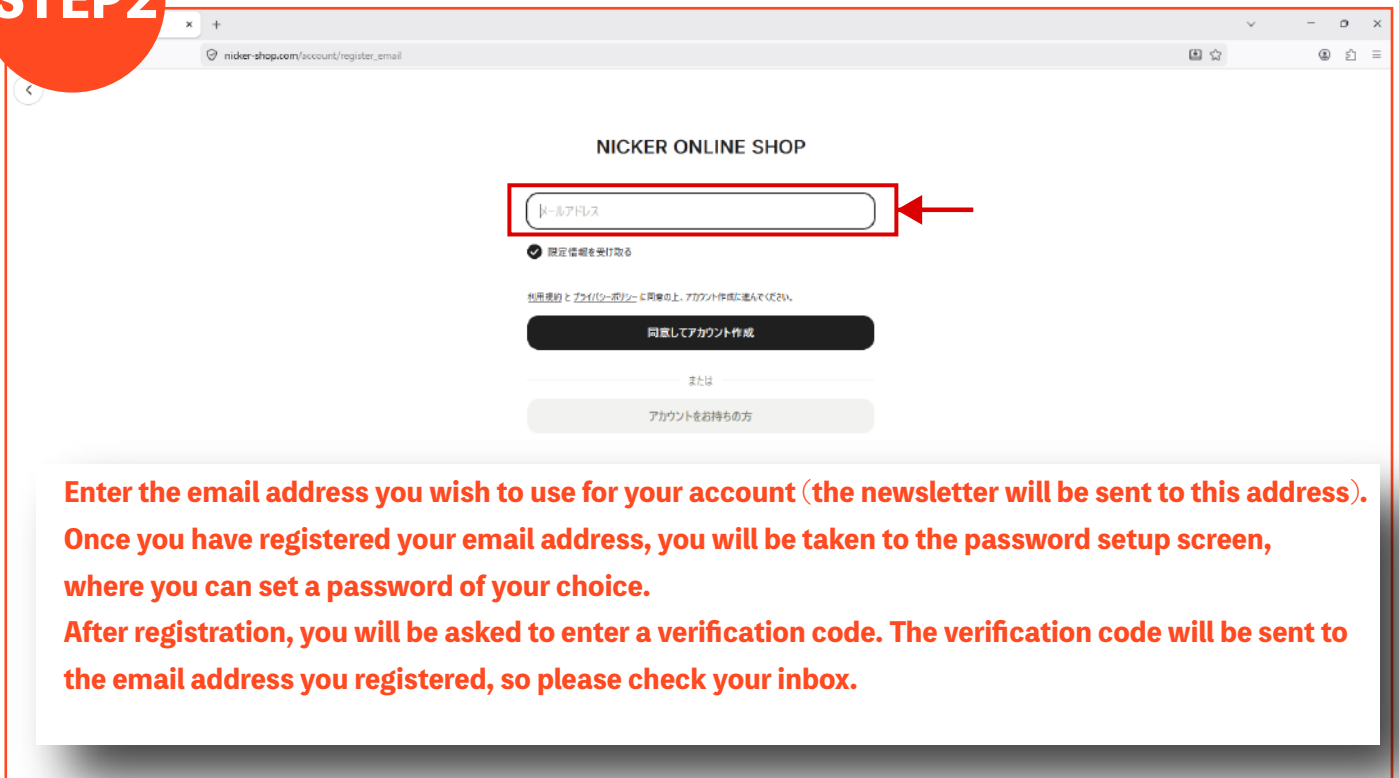

## STEP1

The screenshot shows the homepage of the NICKER ONLINE SHOP. The browser address bar displays "nicker-shop.com". In the top right corner, a "LOGIN" button is highlighted with a red box. A red arrow points to a dropdown menu that appears when the cursor hovers over the button, showing two options: "ログイン" (Login) and "新規会員登録" (New Member Registration). A white text box with red text explains that hovering over "LOGIN" displays the "新規登録 (New Member Registration)" option.

Hover your cursor over "LOGIN" in the upper right corner of the screen to display the "新規登録 (New Member Registration)" option.

A note states: "お振替約とマイページに同意の上、アカウント作成に進んでください。" (Please agree to the bank transfer and My Page, and proceed to account creation). There are two buttons: a black "同意してアカウント作成" (Agree and create account) button and a grey "アカウントをお持ちの方" (If you already have an account) button.

Enter the email address you wish to use for your account (the newsletter will be sent to this address). Once you have registered your email address, you will be taken to the password setup screen, where you can set a password of your choice. After registration, you will be asked to enter a verification code. The verification code will be sent to the email address you registered, so please check your inbox.
